Peninsula Clean Energy ECO100

On November 13, 2017, the Hillsborough City Council adopted a Resolution authorizing enrollment of the Town's municipal electricity accounts in the Peninsula Clean Energy (PCE) ECO100 Program. While the ECO100 program includes a slightly higher cost than PG&E rates and the ECOplus program, it utilizes 100% renewable/carbon-free electricity, thereby producing zero green-house gas emissions. Enrollment of the Town's municipal electricity accounts in the ECO100 program is projected to reduce GHG emissions by 321,000 pounds annually, equivalent to the carbon sequestered by approximately 170 acres of forest in one year, 357,000 miles driven by an average passenger vehicle or 51 tons of waste recycled instead of landfilled annually.

Enrollment of the Town's municipal services accounts will not impact an individual resident/rate payer's options to purchase electricity through PG&E or participate in either of the two PCE programs.

Light Up The Town

Thursday, November 30, 5:00 pm - 6:15 pm

Town of Hillsborough

1600 Floribunda Avenue

Please join us for Hillsborough's "Light Up The Town" celebration. It was started as not only a children's event to celebrate the holiday season but was also meant to be a community "come together". Light Up The Town originated as a thank you celebration to our Founding Friends who provided the seed money to start Hillsborough Beautification Foundation. The event was so well received that we continue it every year as it inspires a sense of community and celebration among our residents.

This has become a much anticipated and well organized celebration in cooperation with the city and our Town's first responders. Santa arrives on a fire engine each year. We

decorate town hall with a live wreath, trees and poinsettias. We have live entertainment from several residents. Arts and crafts for the kids are a highlight along with a picture with Santa. Adults and children enjoy sweet treats and hot chocolate or coffee which is complimentary to all residents as a thank you for all their support.
