

HILLSBOROUGH POLICE DEPARTMENT PRESS RELEASE

Type of Incident: Mountain Lion Activity

Location: Glengarry and Tartan Trail

Date: 06/29/09 **Time:** 0900 hours

Hillsborough Police Department Officers responded to a reported dead deer in the roadway at the intersection of [Glengarry Way and Tartan Trail Road](#).

When Officers arrived on scene, they determined it was possible that the death of the deer may have been the result of a mountain lion attack. Although mountain lion sightings in Hillsborough are rare, it is still the recommendation of the Police Department to take extra caution with regard to mountain lions, or any of the other native wildlife that is common to our location. Please do not leave small children or pets unattended in backyards and near wooded areas in town. If you see a mountain lion, stay inside your home or vehicle and call 9-1-1. Police will respond to the scene and take appropriate action, which may include sending out a reverse 911 call to area residents.
