To ensure your comment is read to the ADRB please submit your email no later than 2:00 p.m. on Monday April 4, 2022. The Town will make every effort to read emails received after that time. Emails received after the 2:00 p.m. deadline will be provided to the ADRB after the meeting.

1. **Resolution Making Findings and Determinations Under Assembly Bill 361 for the Continuation of Virtual Meetings (Staff)**

On March 17, 2020, in the face of the COVID-19 pandemic, Governor Gavin Newsom issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act in order to allow for local legislative bodies to conduct their meetings completely telephonically or by other electronic means. AB 361 preserves many of the provisions of the earlier executive orders while also adding new requirements to the management of remote and teleconference public meetings in order to better achieve the levels of transparency that the Brown Act demands.

2. **650 Brewer Road (APN: 031-073-030)
Steven Voorhis. (Studio Vara)**

Request for design review approval of minor architectural addition. The proposed addition to the ground floor garage and the existing second story, as well as increasing the roof height will result in an increase of 1,029 square feet (16.4 % Floor Area). The proposed revisions include the addition of square footage on the ground floor and on an upper floor that will be visible from the street and therefore require approval by the Architectural Design Review Board.

3. **830 Black Mountain Road (APN: 031-152-080)
Stuart Francis (Saikley Architects/Larman Garro Landscape Architecture)**

This project received preliminary review on March 15, 2021, and again on January 24, 2022

Request for design review approval of a new residence. The proposed new Craftsman style structure is 5,110 square feet on a 22,265 square foot lot (22.9% Floor Area ratio) which will replace an existing Ranch style 4,441 square foot structure with an FAR of 19.9%. As required for new residences, the application includes associated landscape improvements. The proposed scope of work is considered a type A or major project and is therefore subject to ADRB review and approval.

VII. FORMAL REVIEW ITEMS:

4. **635 Pullman Road. (APN: 030-092-080)
Hsu (Elaine Lee Design/Natural Landscapes for California)**

This project received preliminary review on June 7, 2021

Request for preliminary design review of a new two-story Spanish style residence with a total proposed floor area of approximately 5,410 square feet (23.8% Floor Area) on a 22,735 square foot lot. The proposal includes demolition of the existing Ranch style residence and a full landscape plan. The proposed request is for a new residential structure and therefore subject to ADRB review and approval.

XI. DISCUSSION ITEMS:

1. Board Member Updates

2. Staff Updates

Reminder that Board members will be issued new Town of Hillsborough email accounts beginning this month. All future ADRB correspondence will be provided using these new addresses. If you have any questions or concerns, please feel free to contact staff who can assist you during the transition.
