I. CALL TO ORDER

II. ROLL CALL

III. APPROVAL OF MINUTES: Consideration of Meeting Minutes of Monday, April 4, 2022.

IV. PUBLIC COMMENT I:

*This portion of the meeting is reserved for persons wishing to address the Architecture and Design Review Board on any matter not on the agenda. Members of the public may provide comments via the Zoom platform by using the “raise hand” feature or, if calling in by phone, by pressing *9 on the telephone keypad. In response, the Town will unmute the speaker and allow them to speak on any topic for up to three minutes. If there appears to be a large number of speakers, speaking time may be reduced to no less than 2 minutes, at the discretion of the Chair. Members of the public are limited to one comment at this time. State law prohibits the Architecture and Design Review Board from discussing or acting on non-agenda items, and generally limits the ability of the Architecture and Design Review Board to respond to any public comments made regarding non-agenda items.*

V. ANNOUNCEMENT OF CONFLICT OF INTEREST:

This portion of the agenda is for board members to disclose any conflict of interest related to any item on the agenda. Any board member who has confirmed a conflict of interest or has reason to believe they have a conflict of interest should disclose the conflict for the record and abide by the disqualification requirements contained in FPPC regulations.

VI. CONSENT CALENDAR:

The Consent Calendar includes routine items, which do not require discussion. A board member or staff may remove an item for discussion, and any member of the public may request a board member to remove an item for discussion. If there is no request to remove any item from the consent calendar, then the item can be approved in one motion with a roll call vote.

1. Resolution Making Findings and Determinations Under Assembly Bill 361 for the Continuation of Virtual Meetings (Staff)

On March 17, 2020, in the face of the COVID-19 pandemic, Governor Gavin Newsom issued Executive Order N-29-20 suspending certain provisions of the Ralph M. Brown Act in order to allow for local legislative bodies to conduct their meetings completely telephonically or by other electronic means. AB 361 preserves many of the provisions of the earlier executive orders while also adding new requirements to the management of remote and teleconference public meetings in order to better achieve the levels of transparency that the Brown Act demands.

VII. FORMAL REVIEW ITEMS:

The current square footage represents 16.3% floor area ratio where 25% is the maximum allowable or 3,519.75 square feet. The proposed new structure is 2,839 square feet or 20.1% floor area ratio. The proposed request is for a second-floor addition greater than 500 square feet which is visible from the right of way and therefore subject to ADRB review and approval.

The proposed floor area exceeds 8,000 square feet, therefore, unless waived, the project must be submitted to the City Council for review and final disposition. A project may be considered for a waiver of City Council review if both of the following conditions are met (i) there is no unresolved opposition to or concern about the project raised in the public hearing before the architecture and design review board and (ii) the project was unanimously approved by the Architecture and Design Review board with no dissenting votes.
