=== COMMUNITY EVENTS ===

[CPR AED Training - Adult, Child & Infant](#)

[Thursday, April 6th, 2017, 6:00pm - 9:00pm](#)

[Fire Station 34, 799 California Dr., Burlingame](#)

Central County Fire Department offers CPR Training to prepare residents who may need to:

- Perform cardiopulmonary resuscitation (CPR) in the workplace or home
- Use an automated external defibrillator (AED)
- Help someone who is choking
- Receive a course completion card

You will be trained by a CPR instructor who is an experienced staff member of the Central County Fire Department. You will learn how to administer CPR in a safe, timely and effective manner to an adult, child and infant. You will also be trained on using an AED. To register for this training, please go to [CPR Class Registration](#)

[Celebrate Earth Day](#)

Saturday, April 8th, 2017, 10:00am - 1:00pm

Shoreway Environmental Center, 333 Shoreway Road, San Carlos

Rethink Waste, in collaboration with Recology San Mateo County and South Bay Recycling, will be hosting its 6th Annual "Earth Day @ Shoreway" event to be held on Saturday, April 8th from 10am - 1pm at the Shoreway Environmental Center in San Carlos. The event will feature a compost giveaway, art & craft activities, tours of the facility, green basket raffles and more! It will be a fun family event and a great way to celebrate Earth Day! Here is a [link](#) to the press release for more details.

[Mosquito Awareness Week- Open House](#)

Tuesday, April 18th, 2017, 4:00pm - 7:00pm

1351 Rollins Road, Burlingame

The San Mateo County Mosquito and Vector Control District is having their annual open house. This event will be held on Tuesday, April 18th, 2017, from 4pm until 7pm at the District office at 1351 Rollins Road in Burlingame.

The County encourages you to stop by and learn more about what they do to protect public health from the threat of mosquito- and vector-borne disease in San Mateo County. You'll have the opportunity to meet their staff, take a tour of their state-of-the-art laboratory, see a variety of educational exhibits, and, of course, meet the "world's deadliest animal"!

For more information, [click here](#).

Also, Hillsborough resident Dr. Scott Smith, the Town's representative on the San Mateo County Mosquito and Vector Control District, will be giving a brief presentation on Mosquito Awareness Week, the West Nile virus, ticks in San Mateo County, and services provided by the District at the Tuesday, April 11, 2017 City Council meeting, which begins at 6:00 p.m.

Rainwater Harvesting

Saturday, April 29th, 2017, 9:30am - 12:00pm
Burlingame Library Tech Lab, 480 Primrose Road, Burlingame

Burlingame is inviting Hillsborough residents to participate in a Rainwater Harvesting, Graywater Reuse and Peninsula Clean Energy Learn workshop. Please contact Sigalle Michael, Sustainability Coordinator, City of Burlingame / 650-558-7261 / smichael@burlingame.org with questions.

For more information, [click here](#).

CERT Training Spring Session 2017

Mondays, April 10th through May 15th, 6:30 pm-9:30 pm
Skills Day, Saturday, May 20th, 9:00 am-5:00 pm
Burlingame Corp Yard, 1361 North Carolan Ave., Burlingame

CERT training provides private citizens with the basic skills needed to respond to their community's immediate needs in the aftermath of a disaster when emergency services are not immediately available. This training is offered free to all Burlingame, Hillsborough and Millbrae residents.

Pre-registration is required. To register for this training, please go to
[**CERT Training Registration**](#)

Pancakes for Patriots

Saturday, May 20, 2017, 8:00am - 11:00am
Hillsborough Town Hall, 1600 Floribunda, Hillsborough

On Armed Forces Day, Saturday, May 20, 2017, San Mateo County First Responders Lions Club will be sponsoring "Pancakes for Patriots" at Hillsborough Town Hall, 8:00 a.m. to 11:00 a.m. This is a fundraiser for the Hillsborough Adopt-A-Unit Program in support of the United States Army 101st Airborne Division (Air Assault) troops serving in Afghanistan. Proceeds will benefit the Postage For Packages Campaign.

For many years, Hillsborough and neighboring communities have participated in supporting our deployed military with care packages of snacks and hygiene products. The most meaningful addition is a letter to a soldier that greets him/her as the box is opened--a touch of America and home that lifts spirits and morale as high as the clouds. Support those who have volunteered to serve and sacrifice for our freedom.

Join friends and community members, enjoy breakfast, write a note to a soldier, and know that this small effort means the world to those helping nations while serving our country.

Please share with your family and friends. Hope to see you there!

Monday, May 29, 2017

The 8th Annual Hillsborough Memorial Day Parade and Festival is approaching fast on Monday, May 29th. The music festival featuring wonderful musicians from the community starts immediately after the parade.

If you or someone you know is interested in performing in the music festival, please send an audition video to:
Corinne Marcus - corinnemarcus@gmail.com, or
Kim Gelman - kingelman@comcast.net

We welcome all styles of music and encourage multi-generational performers to participate!

[Shred, E-scrap Recycling, and Compost Giveaway!](#)

Saturday, June 3, 2017, 9am - 12pm

The Town of Hillsborough is partnering with Recology in hosting a Shred, E-Scrap Recycling and Compost Giveaway starting at 9:00 am on June 3rd! Residents can bring up to five standard banker boxes for shredding per household, as well as drop off e-scrap such as televisions, computers and printers, and take up to 5 gallons of nutrient rich compost all at the same location!

Shredding services are available on a first-come, first-served basis until the shredding truck is full, and residents must supply their own shovels, gloves and containers for picking up the compost.

Be on the look out for further information included in your May garbage bill from Recology and in next month's e-announcement!

=== INFORMATION ===

[Remembering When...Fire and Fall Prevention for Older Adults](#)

Presented by Central County Fire Department

At age 65, older adults are twice as likely to be killed or injured by fires compared to the population at large.

Fires and burns are not the only hazards that threaten our older citizens. Statistics from the Center of Disease Control (CDC) show that falls are the leading cause of death from unintentional injury in the home. Some of those

falls are fatal, while others permanently disable victims, often causing loss of mobility or independence.

Remembering When is a program designed to prevent injuries among older adults and help them live safely at home. Featured below are 16 key messages that the program teaches.

How to Prevent Fires- [click here to continue.](#)

High Speed Rail Upcoming Meetings

A series of upcoming **Community Open House Meetings** will be occurring in **April**. These community meetings are focused on the high-speed rail project section between **San Francisco and San Jose** (in San Francisco, San Mateo, and Santa Clara Counties). A map of this section can be viewed on the website at the following link:

http://www.hsr.ca.gov/Programs/Statewide_Rail_Modernization/Project_Sections/sanfran_sanjose.html

See flyer for schedule of meetings convenient for you:

TRANSFORMING CALIFORNIA**

SMC Alert System

SMC Alert is the Town's primary notification system to reach residents and volunteer responders during a disaster, emergency or other significant event affecting the Town. If you do not currently receive SMC Alerts on your mobile device or by email, the Town is advising each household adult to create an account.

HILLSBOROUGH RECREATION PROGRAM

For details on classes offered, check www.hillsboroughrecreation.com or call 650-342-5439.

Peninsula Clean Energy (PCE) - Phase 2

Check Your Mail for Information

Starting next week, 220,000 residences and businesses throughout San Mateo County will receive four notices in the mail to inform them that the Peninsula Clean Energy (PCE) program will become available to them. In April all county residents and businesses will be offered either **ECOplus** which includes an estimated 5% savings on the electrical generation portion of their bill and greener electricity, or **ECO100** to receive 100% renewable energy with a slight increase in rates

through the PCE program.

Peninsula Clean Energy purchases greener electricity for its customers, while PG&E continues to handle electricity delivery, maintenance of wires, customer billing, and natural gas services. Call PG&E's customer service line if you experience an outage. PCE customers receive a [consolidated bill from PG&E](#), which will reflect 5% savings if they are enrolled in ECOplus. Customers can learn more and make their choices on PCE's website www.peninsulacleanenergy.com or by calling PCE's customer service phone number at 1-866-966-0110.
