THURSDAY TOWN TIDBITS

Visit San Mateo County's website at www.smcgov.org for the latest information on COVID-19 and the shelter in place order

Appreciation from the San Mateo County Health Foundation

The San Mateo County Health Foundation (SMCHF) [showed their appreciation on Facebook](#) for the donations received from Hillsborough residents at the Town Hall donation station.

The donation station is still set up at Town Hall (1600 Floribunda Avenue). SMCHF is accepting a wide variety of donations including PPE, cleaning materials, electronic devices, monetary donations, and more. SMCHF is especially seeking [hand sewn masks](#) for their community outreach workers.

Donation can be dropped off at Town Hall or pickups can also be scheduled by contacting SMCHF CEO John Jurow at jjurow@smcgov.org or by calling (650) 333-5634.

Stay Connected - Hillsborough Recreation

Hillsborough Recreation has created a virtual recreation website to help residents stay busy during the Shelter in Place Order with online enrichment and a way to stay connected to the community.

Hillsborough Recreation is always accepting ideas from residents on fun activities and challenges. Please visit their official website at www.stayconnectedhrec.com for more details!

Burlingame and San Mateo eLibraries

Burlingame and San Mateo Public Libraries have both launched eLibraries for families to access library services virtually. The eLibraries have thousands of e-books, audio books, and other media available.

Be sure to check out the other online services available on the [San Mateo County Libraries](#) and the [Peninsula Library System](#) websites!

Are you registered for WaterSmart?

78% of Hillsborough households are currently registered for WaterSmart to monitor their water use. The online portal allows residents to see up to three years of historical water use data, track daily usage and sign up for leak and other alerts through email and text.

The Town has collaborated with WaterSmart to create a series of How-To videos to help residents sign up and navigate through their WaterSmart portal:
