Monday's City Council meeting is going virtual!

Due to the County's ongoing Shelter in Place Order, the Town's normally scheduled City Council meeting will be going all virtual on Monday, April 13th via Zoom.

Please visit the [Agenda Center](#) webpage to view Monday's agenda with instructions on how to view the meeting and submit public comments.

Sheltering in place during holiday weekends

The month of April is filled with holidays and traditions that are very important to some families. With San Mateo County continuing to urge residents to shelter in place and practice social distancing through May 3rd, families will need to get creative to celebrate various holidays in April. Here are some ideas to connect with family and friends and celebrate together:

- Many organizations and institutions are offering virtual services or events. Check with yours to see what they're offering!
- Order specialty foods online, or check with local grocery stores for delivery services.
- Email favorite recipes and have each household cook a new dish at the same time via Zoom, Google Hangouts, FaceTime, etc. Eat together and enjoy a virtual meal!
- Research and try out new recipes or try out old family recipes you would have otherwise never had an opportunity to prepare before.
- Donate to organizations that are supporting those in need during this time.

The April holidays during the COVID-19 pandemic can still be a memorable time to honor and be thankful for the values of health, family, and the longer, brighter days of spring.

Child care resources for families

The San Mateo County Child Care Coordinating Council (4Cs) provides information and resources to families and the early childhood community.

The San Mateo County Economic Development Association (SAMCEDA) announced that Salesforce will be offering Salesforce Care Small Business Grants of \$10,000 to provide capital to help keep businesses afloat. These grants will support small businesses as they work to replenish materials, pay salaries, or adapt their business model to overcome these challenging times. The grant application will be available to US businesses in mid-April.

To learn more about SAMCEDA and the resources the organization provides to local businesses, please visit their official website at www.samceda.org.

Resources for San Mateo County residents

San Mateo County has created a catch-all resource website for residents. The page has information on topics such as childcare, unemployment benefits, volunteering, donations, and more:
