**SAN MATEO
COUNTY HEALTH**

All together better.

The seven Bay Area Public Health

Officers who ordered a Shelter in Place in mid-March will extend the orders through May 31st while some restrictions are eased and tools to strengthen containment of COVID-19 are put into place.

Under the new order, all construction projects will be allowed to resume as long as the project complies with safety protocols included with the order. All real estate transactions will also now be able to resume, but with continued restrictions on open houses and limitations on in-person viewings. Most outdoor businesses will be permitted and this includes gardeners, landscapers and tree trimmers. Any employee allowed to return to work at a facility can also access childcare programs that can operate. There are also a several restrictions that have been eased to permit outdoor recreation and access to adjacent parks.

Indicators to help assess progress on containing COVID-19

The seven Bay Area Health Officers are also releasing indicators that will be used to measure progress in containing the virus and ensuring we have the infrastructure in place to protect the community from COVID-19. These indicators will be critical to decisions in the coming weeks and months about when and how to ease Shelter-in-Place restrictions.

The indicators include:

- Whether the total number of cases in the community is flat or decreasing;
- Whether the number of hospitalized patients with COVID-19 is flat or decreasing;
- Whether there is an adequate supply of personal protective equipment for all health care workers;

- Whether we are meeting the need for testing, especially for persons in vulnerable populations or those in high-risk settings or occupations; and
- Whether we have the capacity to investigate all COVID-19 cases and trace all of their contacts, isolating those who test positive and quarantining the people who may have been exposed.

The San Mateo County Strong Fund Small Business Grant Program

SMC Strong Small Business Grant Program application portal now closed

Due to overwhelming demand, the SMC Strong Small Business Grant Program application portal is now closed. Over 2,400 businesses had applied for a grant within 4 hours of the portal opening.

The San Mateo County Strong Fund:
We Are in This Together

Donate today: you can choose to help individuals/families, small businesses, non-profits or wherever the need is greatest.

Reminder: Please share the road and watch out for pedestrians and cyclists

With many residents at home and practicing proper social distancing around their neighborhoods, please **Share the Road** and be extra cautious of pedestrians and cyclists when driving around Town.

When walking around your neighborhood, please be considerate of your fellow neighbors and refrain from littering. If walking with your pets, remember to carry enough dog waste bags and dispose of them properly.

Monday's Architecture Design and Review Board meeting is going virtual!

The Town of Hillsborough's Architecture Design and Review Board (ADRB) will be hosting its May meeting on Zoom on **Monday, May 4th**, starting at **4:00pm**.

Details on how to watch the meeting and submit public comments will be posted on the official agenda on the [Agenda Center](#) webpage.
