### San Mateo County Shelter in Place order modified to allow outdoor dining, charter boats

[Click here](#) to read the press release and with links to the full health order

San Mateo County Health Officer Dr. Scott Morrow today revised the Shelter in Place order to allow outdoor dining and charter boat operations with safety measures and other restrictions to ensure social distancing. It also amends the guidelines for funerals.

Restaurants and other food facilities that were previously licensed to provide sit-down food service may provide outdoor, sit-down meals by working with local agencies to ensure compliance with local laws, regulations, and permitting requirements. Restaurants and other businesses (like retail) wishing to operate in the public right of way must also work with their governing jurisdiction on any additional requirements needed to support community safety

The order goes into effect at 12:01am on Saturday, June 6th.

### Monday's City Council meeting will be virtual

Hillsborough's monthly City Council meeting on Monday, June 8th will be conducted via Zoom. Closed session will begin at 4:00pm followed by the regular meeting at 6:00pm.

Please visit the Town's [Agenda Center](#) page for meeting information and how to submit public comments.

**Make some noise for the class of 2020!**

With regular graduation events cancelled due to the ongoing pandemic, Hillsborough will be joining Burlingame, Foster City, Millbrae, San Bruno and San Mateo in inviting all residents to celebrate and recognize graduates from all local public and private high schools, middle schools and elementary schools as a community - safely and while sheltering at home.

Please join your neighbors in **MAKING SOME NOISE** for our grads. Step outside your front door on **Friday, June 12th between 7:00 -7:15pm** to whoop and holler, applaud, yell, stomp your feet, bang a pot, whistle, sing, play an instrument...all in the name of our graduates!

Let's show all of our students who are moving on to the next step in their education or graduating from high school some encouragement and acknowledge their hard work! Let's make some noise for the class of 2020!

## Hillsborough Recreation summer plans

*A message from Hillsborough Recreation:*

Due to the current San Mateo County Health Officer's recommendations, we have had to reset our summer plans and start again from scratch. While our plans have changed we still believe that we will run a safe, fun, social, and fulfilling summer program for our community. Hillsborough Recreation is excited to begin registration for its adapted HIVE DAY CAMP program. Full details and registration information can be found on our Stay Connected HREC website, [www.stayconnectedhrec.com](http://www.stayconnectedhrec.com).

Hillsborough Recreation's Summer School program will have new dates and times but will begin on July 6th and run through July 31st. Summer School registration will open soon and have limited spots available.

We are continuing to work to adapt our Bouncin' Round the Bay, Nature Camp, and PM Sports camps. The educators that run these camps are finding safe and creative ways to keep the core values of their programs intact while ensuring the safety of participants. Families that are currently enrolled in these programs will have an opportunity to review the adapted offerings and either re-enroll in the modified program or drop the program with a full refund. The Camp Directors of these programs will be emailing those currently registered their plans soon.

Please check the [Stay Connected HREC website](http://www.stayconnectedhrec.com) for the most up to date information.
