With the approval of San Mateo County's variance request, County Health Officer Dr. Scott Morrow has issued a new order to align the County with Gov. Gavin Newsom's [Resilience Roadmap](#). Businesses in San Mateo County will now follow the State's schedule for reopening but must adhere to the local order's COVID-19 safety measures and follow State guidance.

The new order is effective immediately and limits gatherings to no more than 50 people, allows for social bubbles, and requires businesses to implement a social distancing protocol and written health and safety plans. **Face covering and social distancing requirements remain in place.**

With the local order taking immediate effect, according to state guidelines, the following businesses may now produce and post health and safety plans and resume operations:

- Dine-in restaurants
- Hair salons and barber shops
- Casinos
- Family entertainment centers
- Restaurants, wineries and bars
- Zoos and museums
- Gyms and fitness centers
- Hotels (for tourism and individual travel)
- Cardrooms and racetracks
- Campgrounds and outdoor recreation

Per the state's guidelines, personal services like nail salons, body waxing, and tattoo parlors may create safety plans and resume operations on June 19, 2020.

**HAPPENING TONIGHT: Wildland Fire Virtual Town Hall**

Wednesday, June 17th - 6:30pm to 8:00pm  
[via Zoom](#)  
or Dial in via [phone conference](#)

You are invited to join the Town of Hillsborough, Central County Fire Department (CCFD) and Hillsborough Firewise Board of Directors for a virtual town hall for an update on the Wildland-Urban Interface (WUI) program and how it will move forward.

A wealth of information and resources on the WUI program is available on [CCFD's WUI website](#).

**FIREWISE USA<sup>®</sup>**  
RESIDENTS REDUCING WILDFIRE RISKS

#### Virtual Coffee with the City Manager and Firewise

Friday, June 19th - 9:00am to 11:00am

via [Zoom](#)

or Dial in via [phone conference](#)

You are cordially invited for (virtual) coffee and conversation with City Manager Ann Ritzma and Firewise Hillsborough.

Firewise Hillsborough was recently certified as an official Firewise USA community. Firewise Hillsborough works with residents, the Town and Central County Fire Department to provide education, support neighborhood projects and advocate for a wildfire resistive Hillsborough.

PDF versions of the certificates are available for all residents to download on the Town's website. Please note that Hillsborough is divided into two areas ([north](#) and [south](#)). You may want to provide a copy of the certificate to your homeowners insurance company.

Can't make the meeting? Contact Firewise Hillsborough at [firewise@hillsborough.net](mailto:firewise@hillsborough.net).

San Mateo County District Attorney Stephen M. Wagstaffe has advised San Mateo County residents to be alert for COVID-19 contact tracing scams. Contact tracing is an important tool to slow the spread of COVID-19, especially as San Mateo County further eases its Shelter in Place restrictions. Residents should cooperate with legitimate contact tracers but be wary of scammers. Scam artists are attempting to trick consumers into divulging their private personal information.

If you receive a phone call with a caller ID that indicates "California COVID Team," it is likely our Public Health contact tracing staff trying to reach you. Official contact tracers will only ask you about your medical symptoms and the people with whom you have been in contact. All information provided to Public Health through contact tracing is strictly confidential and will be used for public health purposes only. Official will **NEVER** ask for your Social Security number, financial or health insurance information, or immigration status.
