## MONDAY TOWN INFORMATION

Visit San Mateo County's website at [www.smcgov.org](http://www.smcgov.org) for the latest information on COVID-19 and the shelter in place order

### Construction in Town

After consultation with state and county representatives and an in-depth review of both shelter in place orders, the Town has determined that certain essential construction projects may proceed in Hillsborough.

[Click here](#) for an explanation of allowable projects and the procedures they must abide by.

### Play structures closed, parks remain open

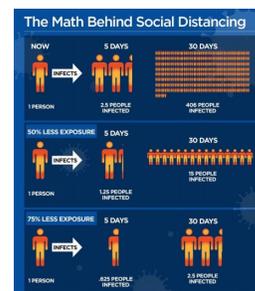

The Town of Hillsborough is concerned about the health and safety of our residents. While the Town's parks will remain open, all play structures will be closed indefinitely based on the San Mateo County Health Officer's recommendations.

While outside, please continue to practice proper social distancing.

### The purpose of social distancing and sheltering in place

Social distancing and sheltering in place are crucial preventative measures against COVID-19 and the main reasons why many large events and social gatherings have been postponed or cancelled. Keeping individuals separated from each other as much as possible can slow the spread of COVID-19. Please continue to maintain at least a 6 feet distance from others and only leaving your home for essential needs!

*The Math Behind Social Distancing*

**Be aware of walkers and bikers in the roadway**

With many residents at home and practicing proper social distancing around their neighborhoods, please Share the Road and be extra cautious of pedestrians when driving around Town!

**REMINDER: San Mateo County looking for medical equipment donations and volunteers**

Express Interest in Volunteering: [Sign up!](#)

Healthcare provider with an active license, a public health professional, or a member of a medical disaster response team in California who would like to volunteer for the current COVID-19 response? [Register here!](#)

Donate medical supplies: masks, gowns, goggles, gloves, and face shields. [Please email](#) with the type, quantity, and location of supplies

Are you in need further assistance after calling 211? An organization in need of volunteers? [Please email](#) with your contact information and a description of your request.

**REMINDER: Use 9-1-1 for emergencies only**

9-1-1 is still experiencing larger than normal call volumes. Please use 9-1-1 for emergencies only and not for general COVID-19 or shelter in place calls.

Non-medical COVID-19 questions can be directed to the County's 2-1-1 number.
