Shelter in place order informational flyer

The Town has created an informational flyer outlining important details related to San Mateo County's shelter in place order and construction in Hillsborough. Click the images below for a PDF version of the flyer and feel free to share it with your friends and neighbors!

COUNTY HEALTH ORDER
MANDATORY SHELTER IN PLACE

San Mateo County is currently under a **MANDATORY** shelter-in-place health order issued to reduce the spread of the Coronavirus (COVID-19).

You are **REQUIRED** to stay home except for essential needs, and you should maintain social distancing (keeping at least 6 feet of physical distance between people) when in public. Gatherings are prohibited, and restrictions are in place at our parks.

We can reduce the spread of the coronavirus and save lives if everyone helps to cooperate right now.

WHAT DOES THIS MEAN?

- EVERYONE** must stay home except to get food, care for a relative or friend, get necessary health care, or go to an essential job.
- IT IS OK** to go on walks in your neighborhood. Only visit parks or recreation areas that you can walk or bike to. Parks are for passive use only.
- ESSENTIAL** local government functions will continue, including first responders and law enforcement.
- DO NOT** gather with others. No visitors or meeting up with friends. Bars, nightclubs, and gyms are closed.
- DO NOT** drive or take public transit to recreation areas. Parking and restroom access may be limited.
- NO TEAM SPORTS** or pick-up games are allowed. City park playgrounds, fields and courts are closed. Do not congregate.

IMPORTANT: if you are an older adult or have a serious chronic medical condition, you are especially vulnerable and should **STAY HOME**.

STAY INFORMED: Visit Hillsborough.net or smcgov.org. **CALL 2-1-1** for non-medical information.

TOWN OF HILLSBOROUGH
Building and Planning Department

NO construction or landscaping projects requiring outside contractors may proceed, unless authorized by the County Order.

Exceptions include emergency repairs and work necessary to safely shut down/secure an existing project, consistent with the Order

| Construction Type | Allowed | Not Allowed |
|---|---------|-------------|
| Residential Construction* <small>*limited exceptions for life-safety matters and to safely shut down existing project sites</small> | | X |
| Building Inspection Services** <small>**limited exceptions for life-safety matters and for the maintenance of essential infrastructure</small> | | X |
| Landscaping Services*** <small>*** Exceptions include activities necessary to maintain the safety, sanitation, or essential operation of a residence.</small> | | X |

WHY IS LANDSCAPING NOT ALLOWED?
Such activity is not necessary to maintain the safety, sanitation, or essential operation of a residence consistent with both the San Mateo County Health Order issued on March 31, 2020 and Governor Newsom's Executive Order N-33-20 issued on March 19, 2020. Vegetation removal may only be permitted if the vegetation in question is causing demonstrated damage or blocking ingress and egress of a property or street. Emergency repairs to irrigation will be permitted.
