All together better.

There are no substantive changes to the order other than the extension. Previous school operations modification orders were set to expire on April 3 and May 1, 2020.

Coffee with the City Manager is going virtual!

You are cordially invited to join City Manager Ann Ritzma and Director of Building and Planning Sarah Fleming on **Friday, April 17th** from **9:00am to 11:00am** for (virtual) coffee and conversation.

If interested, please RSVP to City Manager Ann Ritzma at aritzma@hillsborough.net for the meeting details.

No Q2 Town Newsletter

The Town and the Citizen's Communication Advisory Committee (CCAC) have decided to not publish a Town newsletter for the second quarter.

With the ongoing COVID-19 pandemic and County Shelter-in-Place Order at the forefront of everyone's minds, the Town newsletter would not be an optimal way to provide updates to residents, as information can change on a daily basis.

Instead, Town staff will focus on continuing to provide daily updates through these Town Information e-Blasts. Please help us spread the word to your friends and neighbors by forwarding them the subscription link: www.hillsborough.net/subscribe or printing out hard copies for those who may not have internet access.
