Re: Crystal Springs/El Cerrito Phase II Sewer Improvement Project

The Town of Hillsborough has contracted with Ranger Pipelines, Inc. to construct the project known as the Crystal Springs/El Cerrito Phase II Sewer Improvement Project. This project will consist of sewer pipeline replacement on El Cerrito Avenue and Crystal Springs Road, and will include the installation of four pier walls on El Cerrito Avenue between Bowhill Road and Crystal Springs Road. While portions of the project are being completed, complete roadway closures might be necessary to properly and safely excavate and replace the pipeline segments or to install the pier walls.

Construction is scheduled to start on Tuesday, August 19, 2014 at 8:00 AM and is anticipated to continue for one year. During the initial phase of the project, work will focus on the installation of four pier walls on El Cerrito Avenue between Bowhill Road and Crystal Springs Road. This phase is expected to last six to eight weeks. During the second phase of the project, the construction will perform pipeline removal and replacement, starting at Gramercy Dr. and working towards Crystal Spring Terrace. This phase of the project is expected to last approximately eight months.

Construction crews are required to accommodate vehicular traffic and maintain roadway access during working hours (8 a.m. to 5 p.m.). Where temporary roadway closures are necessary, driveway access will be maintained at all times for emergency services and for residents located within the closure area. Approved detour routes will be clearly signed for vehicular traffic, but it is advisable to seek alternate routes during the construction period.

During construction, if you have any questions or concerns, please contact:

Ranger Pipelines, Inc.:

Tommy Konwinski, Project Manager (415) 559-1128

Town of Hillsborough:

Public Works, Daniel Gonzales (650) 375-7588

Police Department (after hours) (650) 375-7470

The Town of Hillsborough would like to thank you for your patience and cooperation as we work to complete this project.
