Project Location (include County) – The Town of Hillsborough in San Mateo County owns approximately 250 acres of open space in 9 open space areas. The open space areas range from several acres to nearly 50 acres in size. These Town-owned open space areas are found in the north and south sides of Hillsborough on the attached map.

Project Description: The Fire Hazard Mitigation and Fuel Reduction Project would reduce fire risk in Town-owned open spaces and will include mowing ground cover, thinning shrubs and understory, and limbing-up trees in 88 of the approximate 250 acres of Town-owned open space. While live healthy trees greater than 4" in diameter will not be removed, tree branches lower than 10 feet may be trimmed and saplings (<4" in diameter) and dead or mortally diseased trees may be removed as needed to meet fire risk reduction objectives.

This is to advise that the Hillsborough City Council on June 10, 2013 approved the above described project and made the following determinations regarding the above described project:

1. The project  will,  will not have a significant effect on the environment.
